

Given to the caregiver/relative

My Loved One Is In Hospital

Thank you for caring for _____ (patient name) while at home. As healthcare workers we will now endeavour to provide this care in the hospital. Unfortunately due to the Covid-19 pandemic, visiting of hospital patients needs to be limited to protect everyone involved. We still want you to be involved in caring for your loved one.

Your loved one will be in ward _____ at _____ Hospital.

Contact numbers:

Ward: _____

Hospital switchboard: _____

If you need information about your loved one, you are welcome to contact us. Should your loved one's condition change significantly, we will inform you on the contact details you supply.

Please ensure these details are correct and telephones are answered.

Due to the Covid-19 pandemic, visiting of hospitalised patients unfortunately needs to be limited to certain situations only.

Should you have any queries about visiting or about hospital policy, please contact the hospital information/public relations officer (PRO) on _____.

Alternatively, you can contact your loved one's care team.

Keep this section in the patient's file.

Meet my loved one. Thank you for helping my loved one.
